WORSHIP MINISTRY:

My passion is revealing God's love through music. For years I have led women's large and small group retreats and worship services. Working with the San Diego Ecumenical Community I sang on KGTV's Sunday Focus, and also sang for the Order of St. Luke Healing Services. The entertainer in me loves to sing fun songs for you, and the Holy Spirit in me loves to sing the songs that will draw you closer to Jesus and God the Father.
